

# Beauty Beyond Skin Deep

Pay-it-forward products that make you feel as good as you look.

WRITER Michele Meyer

**T**is better to give than receive—unless you can do both! Rooted in charitable causes, these lotions and potions pack a powerful one-two punch as they give back and help capture that easy-breezy, never-cheesy summertime glow.

## WORN THIS WAY

Lady Gaga shocks us yet again with, of all things, her wearable neutral for poker-faced puckers—and every dime goes to the M·A·C AIDS Fund. We're freaks, baby, and that generosity rocks our world. What about yours? *Viva Glam Gaga warm beige lipstick*, \$15, [maccosmetics.com](http://maccosmetics.com).

## SWEETER THAN SUNSHINE

The delicate peony-scent of this shampoo/shower gel is in sharp contrast to its powerful mission. Every cent of net proceeds goes toward healing survivors of sexual and domestic abuse through Mariska Hargitay's Joyful Heart Foundation. Now that'll lift your spirits, and those of others. *Joyful Heart*, \$20, [philosophy.com](http://philosophy.com).

## SCENTS AND SENSIBILITY

Being moody isn't all bad. Eau de Nous' four aromas let you be bold (zesty Citrus Charm), stealthily sensual (rose- and lily-laced Bébé Breeze), flirty yet earthy (clove-tinged Gardenian Gift) or fully feminine (honeysuckle-rich Jasmine Joy). And 15 percent of sales go to La Fundacion A-Mar, a charity in Puerto Rico that benefits child burn victims and provides pediatric care. \$35 each, 3.8 oz., [eaudenous.com](http://eaudenous.com).

**MAMA-MIA** When you baby chapped hands and feet with this rich shea butter blended with sunflower oil and extracts such as lemon and maple, you're also babying babies. And older kids. Twenty percent of proceeds benefit St. Jude Children's Research Hospital and other kids' charities. That's our kind of math! *The Balm*, \$24, 6.5 oz., [glowologyskincare.com](http://glowologyskincare.com).

**IDOL MATTER** Dry curls thirst for Jordin Sparks' favorite tress tamer. With chamomile and vitamin E to fight frizz, you'll get better waves than if you were on vacay. Founded by "Queen of Curl" Ouidad, herself a cancer survivor, the Ouidad company matches donations to the Breast Cancer Research Foundation. *Curl Quencher Moisturizing Shampoo*, \$15, 8.5 oz., [ouidad.com/bcrf/curls-for-a-cure.asp](http://ouidad.com/bcrf/curls-for-a-cure.asp). \*
